August 2, 2010

Iowa Finance Authority
2015 Grand Ave.
Des Moines, Iowa 50312 RE:

Proposed IJOBS Grant Application – Strom Water Improvements, Allison, Iowa

To whom it may concern:

Ryken Engineering completed a review of the proposed project and how it complies with the Energy Star and Energy Code Standards. The project does not include any electrical work or buildings. Therefore, the Energy Star and Energy Code standards do not appear to be applicable for this project.

If you have any questions or need any additional information on this matter, please feel free to contact me at 641-847-3273.

Sincerely,

Chad Billings
Ryken Engineering
